## Tandoori Specialities

Tandoori is the traditional deep clay oven highly heated with charcoal, which adds to all tandoori dishes a distinct smoky flavour. Ingredients of all these dishes are marinated overnight in yoghurt with various spices and herbs, threaded on to long metal skewers, and then baked over the flame. All tandoori dishes are served sizzling on a hot tray with a small portion of salad and a specially prepared yoghurt sauce

|  |        |
